Sponsorships Available

Dear Friend of the Environment,

Come celebrate Earth Day with us at our **20th annual Enviro Expo** in April! Our expo has been held annually longer than any other Earth Day event in Tulsa! Opportunities include:

- Network with fellow “green” and sustainably-minded businesses, non-profits and agencies.
- Share information about your company w/downtown executives, employees, business owners, etc.
- Approximately 2,500 people visit this lunchtime event in downtown Tulsa, now at Guthrie Green.
- Experience the energy and fun with live music, giveaways, and Food Truck Wednesday.

Be a sponsor for this year’s expo and receive booth space; acknowledgement in press releases, social media, website, and on all of our print material. Please see the enclosed form for sponsorship levels and benefits. Space is limited so please reach out to us soon!
