

Proper Disposal of Household Pollutants

(Appointment System for Accessing Permanent Disposal Facility)

Household products (cleaners, solvents, pesticides, etc.) should be properly used up whenever possible. However, there are times when a disposal option is necessary. In the past, The M.e.t. has hosted a bi-annual pollutant collection event.

Now, the City of Tulsa has a permanent facility for use by the citizens of Tulsa by appointment. And effective immediately, these services are being made available, for free, through the M.e.t. to the following areas:

Bixby, Broken Arrow, Claremore, Collinsville, Coweta, Glenpool, Jenks, Owasso, Sand Springs and unincorporated Tulsa County.

Access to the Collection Facility

For residents of Tulsa, please call the City of Tulsa at 918.591.4325

For residents of Bixby, Broken Arrow, Claremore, Collinsville, Coweta, Glenpool, Jenks, Owasso, Sand Springs and unincorporated Tulsa County, please call The M.e.t. at 918.584.0584.

(make an appointment and receive a voucher code)

By Appointment Only:

Household Pollutant Collection Facility

4502 S. Galveston Avenue
Tulsa OK 74107
